

Job Description

Position: **Semi Senior Accountant, Pharmacy Division**

Location: **Waterford, Ireland**

Status: **Permanent Role/ Full Time**

Organisation Profile:

We've spent the last few decades building up a world-class team at Fitzgerald Power, making a name for ourselves as one of the top accountancy firms in Ireland. We've built a team that combines expertise with a deep understanding of our clients' businesses to deliver strategic insights for growth. We are a team of innovators and entrepreneurs that thrive on creating the best accountancy service for our clients. Finding new ways to add value through technology, industry insights and innovative outside-the box service solutions, is what energises us and gets us out of bed. Summary:

It's an exciting time at Fitzgerald Power, and to support our current organisation and help drive our ambitious growth plans we are hiring a **Semi Senior Accountant**. This role has a primary focus on the preparation of Financial Statements and Management Accounts resourced from a combined pool of staff to achieve client satisfaction combined with targeted operational deliverables for a portfolio of our pharmacy clients.

Who you are:

The role requires a recently qualified or part qualified accountant who is an ambitious and career orientated individual, that's energised by problem-solving and keen to adopt an outside the box thought process when it comes to new challenges. The ability to effectively prioritise, and a results orientation approach is essential to this position. You'll be entrusted to run with things early on in your role with us, so the enthusiasm to grow and learn is also key. We pride ourselves on the technical excellence of the firm and will provide a supportive and professional learning environment.

Working collaboratively with all levels of Management and the team to meet deliverables, and a commitment to active learning and developing others, are among the other qualities we're looking for in our successful applicant.

Registered Office:

Greyfriars, Waterford,
X91 K2WV, Ireland.

What you'll need:

- ACA / ACCA / CPA Newly or Part Qualified.
- Strong technical knowledge & skills of Accounting and Auditing standards (IAS, IFRS, Auditing Standards etc.). An excellent understanding of accounting software packages is also required.
- Strong communication skills.
- Experience coaching junior team members.
- Strong analytical and technical ability and excellent attention to detail.
- Great team working skills and an ability to show flexibility when faced with new challenges.
- Willing to have fun, stay positive and show enthusiasm.

In addition to a competitive remuneration package, other benefits available upon joining the Practice are as follows: -

- Partner commitment to your professional development.
- Remote / hybrid model after an initial settling in period and based around client requirements.
- Regular In-House technical training and updates.
- Career Progression.
